

PAIR ACRO by SaboK

TEHNICAL RIDER

DESCRIPTION

10 minute dance and pair acrobatics act.

AUDIENCE

All audience, 7+

STAGE DIMENSIONS (minimum):

Width: 5m

Depth: 5m

Height: 5m (note: this is height **below** any hanging objects)

Surface: The stage floor must be completely flat, level and free from trip hazards such as cables and speakers. It must be clean and dry.

AUDIENCE SEATING

There must be a gap of at least 1m between stage and audience

LIGHT

All lighting equipment to be provided and rigged by the organizer.

Full warm wash and full cool wash. Preferably side or backlight. Additionally, a spot.

A full run through and light test of approx. 30min is required before the performance.

SOUND

Full PA system suitable for the venue to be provided and rigged by the organizer.

The artists will provide the music files on a memory stick or by email. The track is SABOK by Magnus Larsson.

Using the sound files for any other purposes than the performance, is not allowed without permission of company SaboK.

A run through with the sound technician is required before the performance

PAIR ACRO by SaboK

DRESSING ROOMS

At least one warm, well-lit dressing room is required with mirror, access to a toilet, space to store costumes and bags, and adequate security (lockable). If the artists are to perform on multiple days, access to laundry facilities is required.

BACKSTAGE AREA

We require a warm, well-lit warm up area near the stage from 2 hours before the show until one hour after it. The **minimum** area is 3m x 2m and the **minimum** height is 4m. There should be toilet access.

CREW

Our touring crew consists of 2 artists – Kert and Saana

We require at least one technician to be provided by the organizer to help with light set up prior to the performance and sound and lighting during the performance.

PUBLICITY

Publicity and promotion of the event is the responsibility of the organizer. The artists can provide photos, video and text on request.

TRAVEL

2 people return travel from Estonia to the venue, with two checked bags of at least 20kg

If travel is international, we require arrival one day before the performance.

It is preferable to be met by someone on arrival at the airport/station/venue.

ACCOMMODATION

1 non-smoking hotel room for 2 and per diems for 2 people

CONTRACT

This technical rider is part of the contract and any changes made to it are to be signed by the artists and the organizer. If the performers judge that conditions are not safe, they reserve the right to cancel the performance (details in contract). Please do not hesitate to contact us with any questions.

We look forward to working with you
